

Ladder Towel Rails - Low Surface Temperature with WiFi capability

200W and 400W Chrome and Anthracite with thermostat and WiFi capability

These towel rails are WiFi-enabled and can be controlled from either the integral control panel or via Consort Connect app. The app is free and can be downloaded from Google Play or Apple Store.

Consort's ladder towel rail provides controlled heating to efficiently warm your bathroom and towels.

These Low Surface Temperature models are suitable for retirement homes, hospitals and schools as well as domestic environments. The LST ladder towel rails comply with NHS Estates Health Guidance Notes and have a maximum surface temperature of 43°C when uncovered.

- Available in 200W and 400W models
- Can be controlled via Consort Connect app on smartphone or tablet via WiFi
- 2 operating modes: Thermostatic & Timing
- Electronic display screen
- Temperature sensor fault detection
- Easy and silent operation
- IPX4 rated
- Finished in chrome and anthracite
